CLASS

OF

"84"

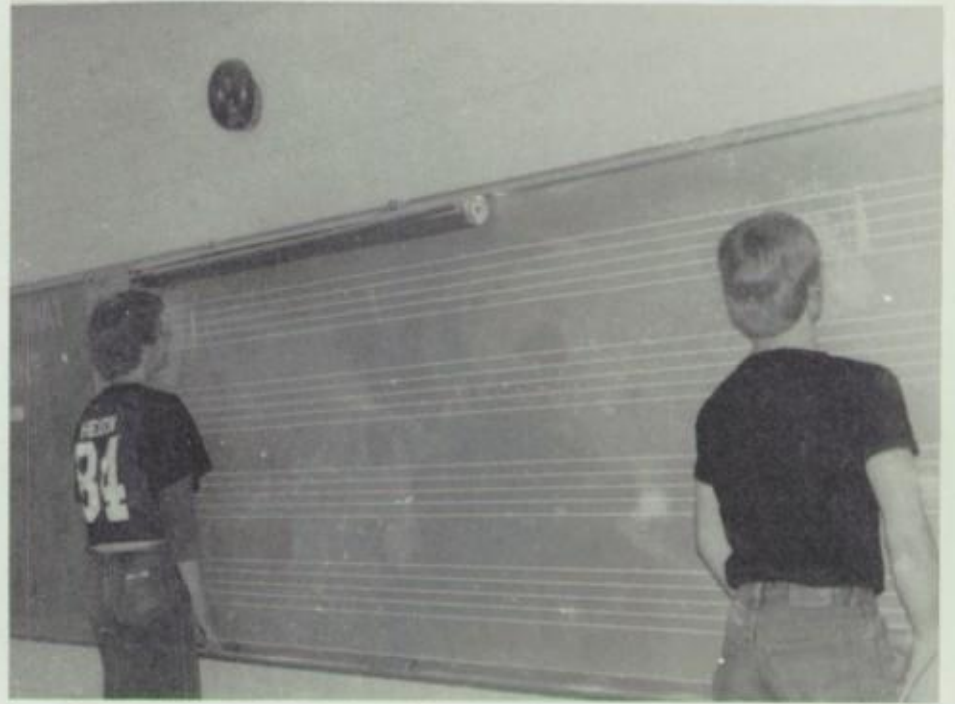

The class of '84 worked really hard this year. During the first semester Mr. Naden assigned all the Juniors to write their own term papers. The Juniors found this challenging, because, this was their first paper that had been picked through syllable by syllable. Also in the first semester they had a class slave auction, where they raised a fair amount of money for Prom. The second semester was filled with total mass confusion. This was the beginning of Prom preparations. They were busy selecting the Theme, Colors, and Decorations. All the Juniors are looking forward to next year when they too, can go last in the lunch line.

GRADUATION 1983 was, again, another first. Graduates clad in light blue and dark blue robes cluttered the lunch room area with smells of flowers and chatter before the ceremony began on Friday, May 13. Everyone was excited. There were some tears, but grins seemed to prevail. Thoughts raced through everyone's minds about the Sunday before when Rev. Sims spoke to the class about the struggle he had to get his education and the pride he felt that he had come so far since. Also, thoughts centered around what was to come. For Jill it was the Air Force Academy. For Brad it was Midland College and his science education and coaching. For Sheila it was Wayne State and her business training and for Laurie, her nursing studies at Nebraska Wesleyan University. Many other students had plans, as well, to attend institutions of higher learning, and all were looking toward those goals.

The ceremony itself went like clockwork, from the opening bars of "Pomp and Circumstance", by the combined band, to the closing benediction by Rev. Sims.

Picture taking, congratulations, hugs and kisses followed the procession out the door to the school yard. The final moment for the graduates came as they tossed their caps into the air and proclaimed their freedom!

Class Prophecy

In the year 2003, the Class of 1983 gathered for their 20th reunion. After the formalities, their attention turned to their present lifestyles.

Former class president and Homecoming King, BRAD SLAUGHTER, voted most likely to succeed is now head of the Sewage Department in the Western section of Siberia. After Brad's welcome speech, he introduced his former classmate and now President of the United States, MS THERESA CHRIST. Good going Theresa! During her speech, she announced what all of her former classmates were doing:

KIM NELSON — now working in the complaint department of Sears, also holds a part-time job working with deaf children. Boy, aren't they lucky they're deaf!?!
JOE KJELDGAARD — could not attend the reunion because he was still serving time for various attempts of "NUKING THE FUTT!" FOR SHAME JOE!!!

JILL SAMUELSON — was also not able to attend — no one quite knows where Jill is located . . . she was last heard from swinging through the African Jungle.

TODD HEATON — who hopped into the picture, is now judge of the National Toad hopping Contest in New Croak, New York.

LOUISE LEIMER — was on her way in a chauffeured limousine driven by STACY WARNOCK, but unfortunately they didn't make it because of car difficulties and an unseen fence. "WHOOOPS, OL' BUTTER FINGERS SLIPPED UP AGAIN!!!"

COREY MUNDERLOH — is now working for law and justice as Paul Shecklers legal deputy. "OUR LITTLE BLACK JELLYBEAN HAS REALLY MOVED UP IN THE WORLD!!!"

MELINDA ANDERSON — Now rodeo queen, has just won her third nation title for professional bronc riding.

KENT STEINMEYER — now owns Wendy's Restaurant specializing in Wendy's frosties.

RENEE MEYER — is head of the Winto-Green LIFESAVER COMPANY. But we're sorry to say, the BUSCH COMPANY bought her out.

TODD PARKER — is now MR. BIG of the Mafia Ring.

ROBIN NELSON — is now head cook of Bancroft-Rosalie High School. They nicknamed her "GREASED-LIGHTNING"
We were unable to find out DOUG REIL'S whereabouts . . . because he is still in hiding from his last evil deed!!!

LINDA ZOBEL — persued her acting career by landing the head role of the "NEW" Vera on ALICE.

MIKE RUSSMAN — is now joined up with "BOXCAR WILLIE" and is now selling records by the millions. By the way, Mike was awarded the "ART STUDENT OF THE YEAR" award his Senior year and now owns his own ceramic shop.

TERESA BUCHHOLZ — is now a computer technologist at Gokhale University.

RANDY BARGMANN — is now a psychiatrist working for AA listening to other peoples problems — for once.

FAE POSVAR — is HEAD bottle capper at Miller Brewing Company.

RON DABERKOW — is now involved with the KKK so — if you see Kae, tell her they want her!!!

KAE POSVAR — is still on the run.

MARK ELSASSER — is now a lumberjack cutting down trees in the Sahara Forest (Wait, Wait, the Sahara is a Desert) . . . It is Now!!!

TERESA ENGELHART — more commonly known as "SISTER TERESA" is mother Superior at the "SISTINE CHAPEL."

CINDY LOGEMAN — has been having a BOARING time running the flat lands pig co-op.

RENEE ABENDROTH — is working in a toy factory where the "WEBORGS WOBBLE BUT THEY DON'T FALL DOWN."

SHEILA BONNEAU — received a severe blow to the head while studying in the library. She was hit by a book and is presently starring in ONE FLEW OVER THE CUCKOOS NEST.

LAURIE BURHOOP — has been moving up in the world, she is now producing over a million step ladders a year.

As you can see, the Class of '83 has exceeded our expectations immensely.

PANTHERS ON THE PROWL

Although the scoreboard showed the boys had a disappointing year the statistics showed the year wasn't a total loss. Our football team tried their best but still came up short. The Senior Panthers led the pack this year with much spirit and strength. They showed the other players to be fair and better sportsmen. Some of the leading statistic holders for the Seniors were Ronnie Daberkow with Honorable-Mention and Brad Slaughter with All-Conference. Kent Steinmeyer, Randy Bargmann, Joe Kjeldgaard, Doug Reil, and Mike Russman showed great strength in their defensive tactics, but were unfortunately not nominated for abilities, however they are all equal in spirit and spunk. The boys hitting the grid this year seem to have plenty of experience. They played with might and hard hitting ability. Marlo Hermelbracht was picked for All-Conference while Darin Suhr, Pat Bruning, and Mark Bonine were picked for Honorable-Mention.

The Lady Panthers started their first season of practice together on August 14, 1982, on a hot summer morning. They started out their practice by running around the block . . . 3 times. Their muscles finally started to get into shape and they started working on their individual skills. Their first game was against West Point C. C. at the Pender Invitational. The Lady Panthers played tough but were defeated by a small margin. They won the next two games, against Allen and Homer to claim 5th place in their first tournament. Their season was full of ups and downs with a few close losses and many exciting victories. The season ended with a depressing game against the same team that the season began with. Nothing went right for the girls, it was an off night for everyone. The girls ended with a respectable 7 wins and 8 loss record. The team is happy about their record and are looking forward to next year.

The boys basketball team showed a lot of hustle and drive, but unfortunately came up with only two wins. The two wins came against Decatur at mid-season, and Ponca at the seasons end. The Panthers closed their first season by either dropping to Tekamah or Herman at Districts.

Brad Slaughter earned Lewis & Clark All-Conference Award, and Kirk Metzger received Honorable Mention. We all were proud of our Panthers, win or lose.

LADY PANTHERS MAKE THEIR MOVE!

The girls basketball team started out kind of bad with a loss to Tekamah-Herman and Walthill. Then the lady Panthers got on a winning track by defeating Homer. The winning continued on and off throughout the season, ending with a loss to Tekamah-Herman in District action.

The year ended with five wins and ten losses. Everyone felt the season went quite well and considering some of the girls had never played together before. The girls showed a great deal of sportsmanship, and really showed alot of class both when they won, and when they lost.

The Conference speech contest was held in Coleridge. Followed two weeks later by our district meet in Beemer. The team made a good showing at both of these competitions. Most of the students received an excellent or higher. Amy Van Kirk went on to state speech contest at Kearny with her reading of serious prose.

Starting a new school system also meant starting a new lettermans club. With the new B-R Club, also came new members. This year's President was Ron Daberkow and Vice President was Joe Kjeldgaard. One of the few money making projects included sponsoring the Nebraska Husker Hoopsters basketball game. There was an excellent crowd and everyone had fun. Other projects that didn't surface included a Freshmen-Sophomore Basketball Tournament. Future plans for the 83-84 school year include Junior High Volleyball or Basketball Tournament and little kids wrestling tournaments.

We feel GOOD! OH WE FEEL SO GOOD! UGH!!

The Pep club was full of spirit and energy this year. They attended most of the games and yelled through a long tough season. They were responsible for decorating the windows and the gym during Homecoming week. They worked hard to keep the team spirit up. Though the numbers decreased toward the end of the year the Pep Club kept up its spirit. We would like to give the Pep Club credit for a job well done.

HOMECOMING 1982

Back: Darin Farewell, Curtis Abendroth, Middle: Warren Pierce, Dawn Pierce, Carie Albus, Kim Nelson, Mike Russman, Carol Kroger, Front: Julie Dagget, Amy VanKirk, (and horse)

Homecoming 1982 got off to a good start with spirit showing up all over town in painted windows. Enthusiasm began to build on Monday, with students wearing numerous old hats for hat day. Cowboys decked out in vest, jeans, and stirrups graced the halls of B*R High, on Tuesday. Wednesday brought out the punk-rock in everyone, including teachers, with certain teachers showing their true color. Thursday brought out the fancy duds, and Friday showed the true blue spirit. The Homecoming football game Friday night, with Allen, proved to be a disappointment, with Allen securing a win of 0-17. The half-time ceremonies revealed Brad Slaughter as King, and Renee Abendroth as Queen. The depression subsided as Gordy Baumann and the Pep Club's decorations took everyone into a world of make believe. There they stayed for a most enjoyable evening.

"Our Girls," a farce comedy in three acts by Conrad Seiler was presented on April 22.

The play dealt with a woman and her three sons who were forced to dress up and act as girls when a rich aunt from Australia decided to pay them a visit. The director was Tammie Torgrude.

Honors & Awards Banquet

Our first Bancroft-Rosalie Awards and Athletic Banquet went really well, with many students receiving pins and letters. Miss Torgrude was mistress of ceremonies and Jaimie Williams as the guest speaker.

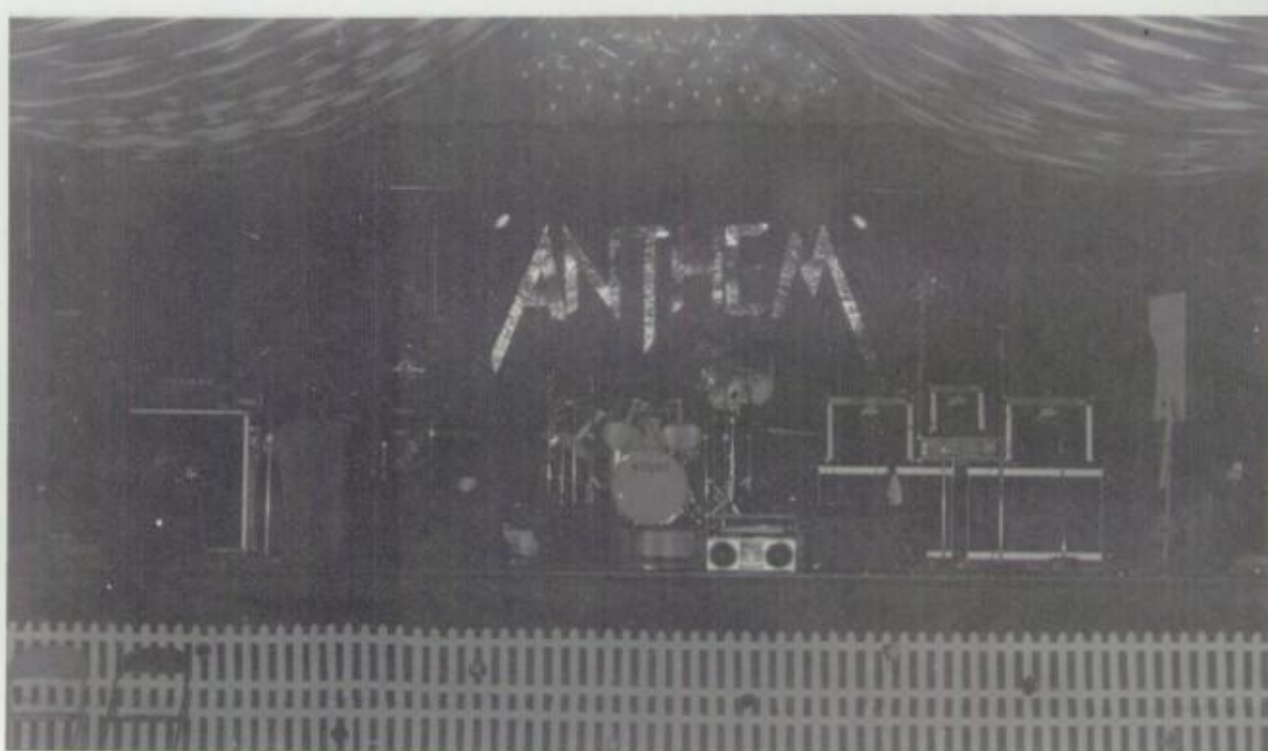

The potluck meal at the Athletic Banquet turned out really well with many parents attending the event. One special event that night was when Marvin was awarded a special plaque and two trees to put in his yard for his service here at Bancroft-Rosalie. I am sure this was an evening which many people will never forget, with all of the awards received and all of the crazy jokes.

PROM 833

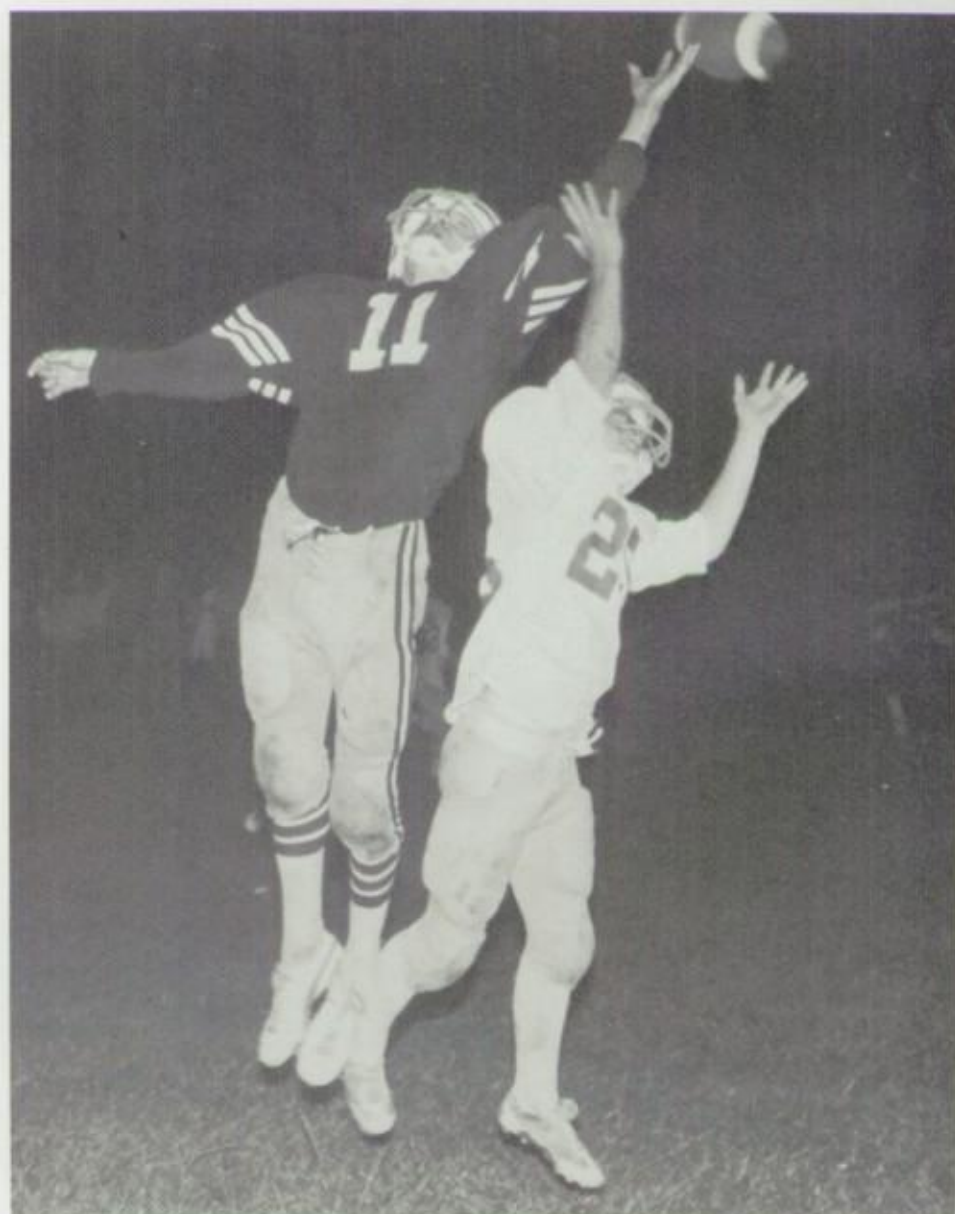

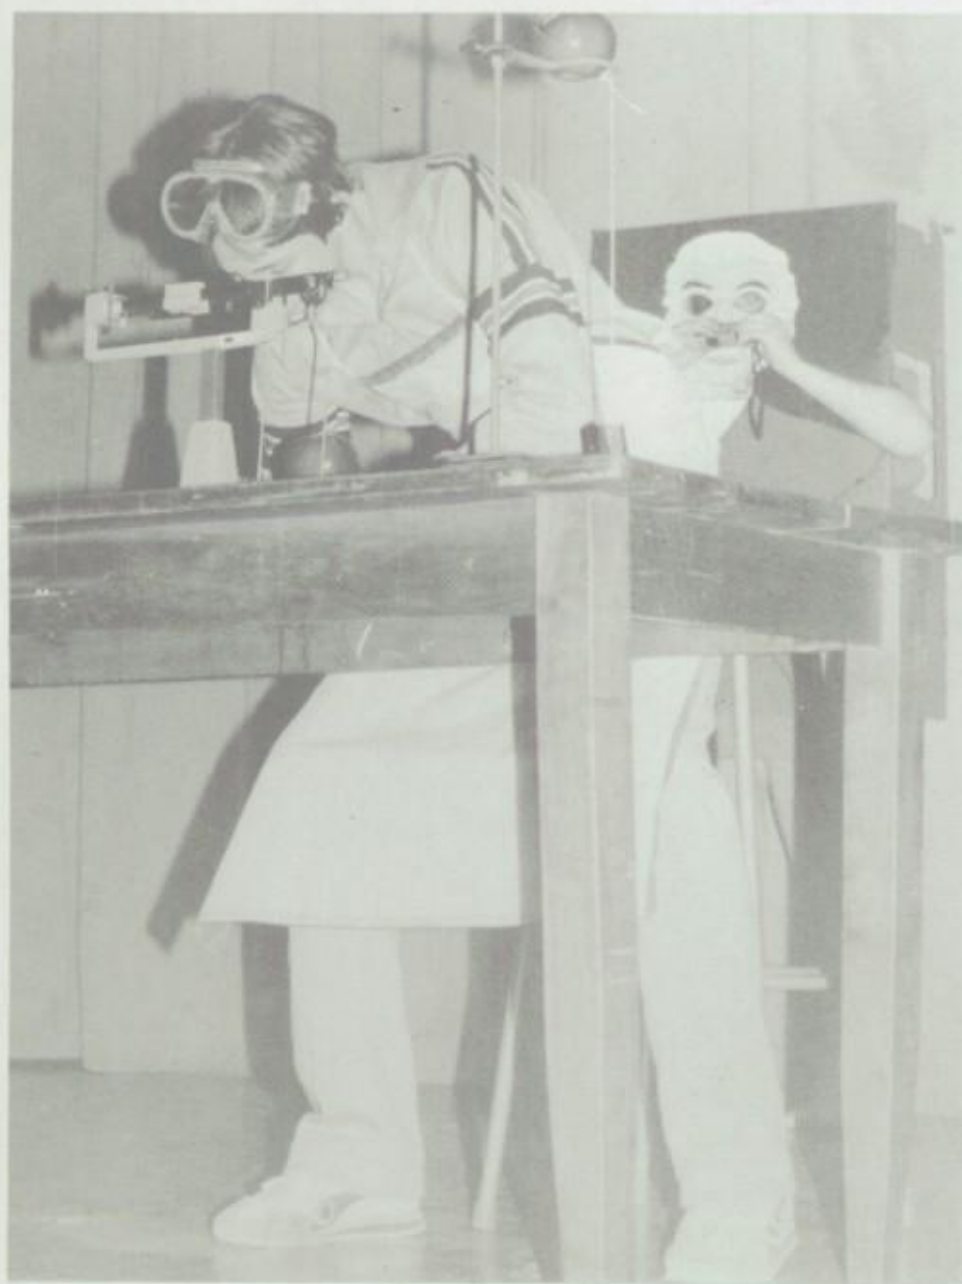

Another year goes passing by
 Another Prom is here
 To some this brings a joyous smile
 To others brings a tear
 For four years you have tread a path
 From dawn to setting sun.
 But not the path gets steeper
 And the climb is just begun.
 We're very glad to know you
 We'll miss you when you've gone
 And to the class of 83
 We dedicate our Prom.

The 1983 Junior-Senior Prom was held April 30. The theme "Steppin Out" really fit the feeling of the evening. It was decorated by the Junior class in dk. blue, maroon, and silver. The entryway was the highlight of the decorations, being a 5 ft. high balcony, covering the back of the entire gym. Marty Roth, welcomed the guests, and Brad Slaughter followed with the response. Mr. McGhee gave his speech and Carol Kroger read the class prophecy and Invocation. The entertainment was provided by the sophomore class members: A. Kjeldgaard, T. Ahlers, J. Daggett, A. VanKirk, L. Suhr, C. Beutler, P. Akins, J. Ahlers, K. Metzger, and D. Farewell. After the sophomore entertainment Joe Kjeldgaard read the class wills and gave closing remarks. Everyone was dressed in long dresses and tuxes, and danced to the music provided by Anthem. This was an evening that we will not soon forget.

WRAP UP

The first year at Bancroft-Rosalie High School went very well. Good times were shared between old friends and new. Crazy times in the hall and even some fun times in class. Goofing around at noon. These are times we will never forget and just to make sure we don't, here is a whole page of pictures that speak for themselves.

That's All Folks!
